

## Amazed

You dance over me  
While I am unaware  
You sing all around  
But I never hear the sound  
Lord, I'm amazed by you  
Lord, I'm amazed by you  
Lord, I'm amazed by you  
How you love me

You paint the morning sky  
With miracles in mind  
My hope will always stand  
For you hold me in your hand  
Lord I'm amazed by you  
Lord I'm amazed by you  
Lord I'm amazed by you  
How you love me

Lord I'm amazed by you  
Lord I'm amazed by you  
Lord I'm amazed by you  
How you love me

How wide, how deep, how great, is your love for me  
How wide, how deep, how great, is your love for me

Lord I'm amazed by you  
Lord I'm amazed by you  
Lord I'm amazed by you  
How you love me  
Lord you love me

## **Come and Find the Quiet Center**

Come and find the quiet center in the crowded life  
we lead

find the room for hope to enter, find the frame  
where we are freed

clear the chaos and the clutter, clear our eyes that  
we can see

all the things that really matter, be at peace and  
simply be.

Silence is a friend who claims us, cools the heat and  
slows the pace

God it is who speaks and names us, knows our  
being, touches base

making space within our thinking, lifting shades to  
show the sun

raising courage when we're shrinking, finding scope  
for faith begun

In the Spirit let us travel, open to each other's pain,  
let our loves and fears unravel, celebrate the space  
we gain

there's a place for deepest dreaming, there's a time  
for heart to care,

in the Spirit's lively scheming, there is always room  
to spare!

# God Most High

## *Verse 1:*

Give me all eternity  
And ten thousand tongues to sing  
Even then I'd find it impossible  
To fully praise the One inexhaustible

## *Chorus:*

God most high  
God most holy  
God most great  
God most worthy  
And with each new breath my soul will cry  
Praise, more praise to the God most high

## *Verse 2:*

Every glimpse of majesty  
Takes me once more to my knees  
Yet to rise again in the grand refrain  
of the thund'ring throng shouting out His name

## *Bridge:*

Bow with the angels  
Stand with the saints  
Sing with creation

Our God is great  
Unto the endless  
And boundless One  
We'll sing an everlasting song

***Coda:***

Praise, more praise to the God most high  
Praise, more praise to the God most high

**Step by Step**

O God, you are my God  
and I will ever praise you.  
O God, you are my God  
and I will ever praise you.  
I will seek you in the morning,  
and I will learn to walk in your ways;  
and step by step you'll lead me,  
and I will follow you all of my days.

## **Let us Break Bread Together**

Let us break bread together on our knees, (on our knees)

Let us break bread together on our knees. (on our knees)

When I fall on my knees with my face to the rising sun,

O Lord, have mercy on me.

Let us drink wine together on our knees, (on our knees)

Let us drink wine together on our knees. (on our knees)

When I fall on my knees with my face to the rising sun,

O Lord, have mercy on me.

Let us praise God together on our knees, (on our knees)

Let us praise God together on our knees. (on our knees)

When I fall on my knees with my face to the rising sun,

O Lord, have mercy on me.
