The *Centre for Geoinformation Science* invites you
to a research seminar presented by the
Spatial Data Infrastructure research focus group:

Geovisualization and Germany: Feedback from research visit to Hamburg by Victoria Rautenbach

Victoria visited the HafenCity University Hamburg (HCU) in Hamburg, Germany from January to March 2014 to work with the researchers at the g2lab on geovisualization related to her PhD research. During this presentation, Victoria will provide feedback of the time she spent in Germany, as well as on her research relating to the use of 3D geovisualization for spatial planning in South Africa.

Date: 12 May 2014
Time: 11h30 – 12h20
Venue: Geography 3-8, University of Pretoria

*Please use the University road entrance for easy access to the
new parking garage.*
