## PPS bursaries

# 2015

### Purpose

- 2015 Dean Bursaries are awarded on financial need and academic record to full time University students in an effort to assist students financially to cover tuition and/ or text book costs for one academic year.
- PPS does not award bursaries to students that already have other confirmed sponsors unless the alternative sponsor is a loan and not a bursary. If the student is in contravention with this policy, the bursary will be withdrawn and disbursed to an alternative bursary recipient.

### Duties and Obligations

- PPS is only assisting students financially to obtain their qualifications; it is not obliged to provide students with any practical training or employment on completion of studies.
- Recipients of the PPS Bursary award will be granted the opportunity to sign up and become a PPS student member at no cost.
