

“WHY CAN’T WE SERVE”

A Documentary film by Marty Klein

Purpose: To create a film that exposes the military as behind the times with regards to all people with disabilities, including disabled veterans.

My name is Marty Klein and I’m a blind Veteran. I lost my sight while serving in the air force during the Vietnam era. I learned a lot over the past forty years, that I want to share with you and the whole country, some insights about the military, the disabled and wounded soldiers returning.

Overview: We are creating a major positive shift in the psychology of the American public. For this to be possible, I need to raise \$75,000 toward the making of a full-length documentary.
